

VIAJES VIRTUALES

NIT: 900098367-3

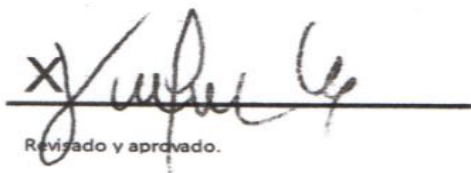

## SUSTAINABILITY POLICY

Thinking about future virtual tours, it applies sustainability as a business orientation that allows us as a company to provide services in a responsible, transparent and ethical manner, taking impacts and risks as opportunities for economic, environmental and social improvement, meeting current needs without Affect the capacity and development of future generations.

creating social and economic impact in order to guarantee the necessary resources for future generations. We work to certify our commitment to the sustainable development of the country, by generating value and social profitability to stabilize us as a more humane and innovative company.

The pillars to generate positive impact are mainly:

- Economic
- Social
- Environmental
